

## TerraWave Solutions® TerraNet Warranty Program

In the event of a product malfunction, TerraWave will replace the product the next business day at no charge. If inventory levels cannot meet the demand of the return, TerraWave will provide an estimated time of arrival for customer replacement. The warranty applies to all TerraWave product lines and is valid for the number of years listed below from the time of purchase. Contact a TerraWave sales director at 210-375-8482 or [sales@terrawave.com](mailto:sales@terrawave.com) for additional information.
